## SKI CENTAR KOPAONIK

Zahvaljujući razvijenom turističkom centru sa savremenim hotelima i pratećim objektima, uređenim skijaškim terenima, idealnim uslovima i nizu pratećih sadržaja za aktivan i pasivan odmor, Kopaonik predstavlja jednu od najpopularnijih i najposećenijih destinacija za odmor tokom čitave godine. Duzina i kvalitet snežnog pokrivača, idealni tereni za zimske sportove iz godine u godinu privlače sve veći broj turista, ljubitelja planine i zimskih sportova.

Kao najveći ski centar u Srbiji, sa oko 65 km staza uređenih za alpsko i nordijsko skijanje, pruža neizmerno uživanje svim kategorijama skijaša od početnika do skijaša vrhunskih sposobnosti. Sve staze povezane su sistemom žičara i ski liftova, kapaciteta od preko 34.000 skijaša na sat. Za ljubitelje noćnog skijanja osvetljene su staze „Malo jezero“, „Karaman greben“ i „Pančić 4b“. Noviteti u ski centru su dve nove staze na lokaciji Gvozdac, taksi tabać koji služi za vožnju i prevoz skijaša i sankalište dugo 1.225 m na ski stazi Karaman greben. Žičara četvorosed „Pančićev vrh“ po red zimske sezone u funkciji je i u letnjim mesecima. Sistemom za veštačko osnežavanje pokriveno je 97 % skijališta.

Adrenalinski sadržaji bob na šinama, zip-line i tubing predstavljaju vid zabave na Kopaoniku tokom cele godine. Puštanjem u rad Avantura parka - adrenalinska atrakcija za decu i odrasle, turistička ponuda Kopaonika je bogatija za još jedan sadržaj.

Za najmlađe skijaše i početnike, obezbeđen je prostor „ski vrtića“ sa pokretnom trakom i karusel koja olakšava da se ovlada osnovnim skijaškim veštinama. Pored staza za alpsko i nordijsko skijanje, skijaški centar poseduje i uređen snow park u kome se organizuju mnoga takmičenja domaćeg i međunarodnog karaktera.

## SKI CENTRE KOPAONIK

Thanks to the developed tourist center with modern hotels and accompanying facilities, arranged ski fields, ideal conditions and a number of accompanying facilities for an active and passive vacation, Kopaonik is one of the most popular and most visited vacation destinations throughout the year. The length and quality of the snow cover, the ideal winter sports ground from year to year are attracting an increasing number of tourists, mountain lovers and winter sports.

As the largest ski center in Serbia, with about 65 km of trails arranged for alpine and Nordic skiing, it offers immense enjoyment to all categories of skiers from beginners to skiers with advanced ability. All trails are connected by a system of cable cars and ski lifts, with a capacity of over 34,000 skiers per hour. For lovers of night skiing, 'Malo jezero', 'Karaman greben' and 'Pančić 4b' tracks are illuminated. Novelties in the ski center are two new tracks at the location Gvozdac, Taxi track-setter, which serves to drive and transport skiers, and a track for free sledding at the Karaman greben (1.225 m long). The four-seater cable car 'Pančićev vrh', in addition to the winter season, operates in the summer months. The artificial snow system covers 97% of ski resorts.

Adrenaline bobs on tracks, zip-line and tubing are a kind of entertainment on Kopaonik throughout the year. By launching the Park Adventure - adrenaline attractions for children and adults, Kopaonik's tourist offer is richer for yet another content.

For the youngest skiers and beginners, there is a 'ski kindergarten' with a conveyor belt and a carousel that makes it easy to master the basic ski skills. In addition to alpine and Nordic skiing trails, the ski center also has a well-preserved snow park, which organizes many competitions of national and international character.
