

Zimske radosti za celu porodicu

Kopaonik, najveći planinski masiv u Srbiji, nalazi se 270 km južno od Beograda i 100 km od Kraljeva. Njegov najviši vrh je Pančićev vrh sa 2017 mnv.

Uređene staze, moderne žičare, sadržaji za sve posetioce koji vole „zimske radosti“ – sinonim su za avanturu, adrenalin i izazov iskusnih skijaša i početnika, bordera, ljubitelja

frirajda. Za najmlađe skijaše i početnike koji prave prve skijaške korake postoje tri obezbeđena prostora „ski vrtića“ sa pokretnim trakama. Pored staza za alpsko i nordijsko skijanje, skijaški centar poseduje i uređen snow park gde se organizuju mnoga domaća i međunarodna takmičenja.

Winter joys for the whole family

Kopaonik, the largest mountain range in Serbia, is located 270 km south of Belgrade, and 100 km from Kraljevo. Its highest peak is Pancic's peak (2017 meters above sea level).

The arranged paths, modern ropeways and skilifts, the attractions for all sports on snow are the byword for adventure and challenges of experienced skiers and

beginners, boarders, fans of free ride. For the youngest skiers and beginners making the first ski steps, there are three secured "ski kindergarten" spaces, with conveyor belts. In addition to tracks for Alpine and Nordic skiing, the Kopaonik ski centre also has a developed snow park in which numerous national and international competitions are organized.
